

## FROM THE PASTOR'S HEART

### A Good Summer Ahead!

We're entering into a very special time of year. Make your plans now to be a part of some tremendous summer ministries that will not only strengthen your faith but also serve as a witness to others. Here are a few summer announcements for your information and planning.

First, we are excited to welcome Erin McCleer and Ryan Moran as our family ministry summer interns. Erin will primarily be ministering to children, and Ryan will be working with older students over the next few months. Pray for them as they train for ministry and do great work with our young people. Vince will provide some wonderful guidance.

Second, we are also excited to announce that Melodie Penland will be coming as our new Family Ministry Associate. You will get a chance to meet Melodie and her family on June 11 in our morning worship service. She grew up a minister's child and has ministered to children at both Trinity Lutheran and our FBC CDC. She is a graduate of Central High School and attended Angelo State. The Penlands are also active with Grape Creek Baptist Church. I'm grateful to both Vince and the Personnel Committee for their efforts during a long search process.

Third, please take note of our block party, VBS, and Family Lake Day schedules for the summer. These are tremendous opportunities for fellowship and outreach that will lead us into new evangelism territory for the fall. We will be specifically adopting the Fort Concho neighborhood and partnering with House of Faith for ministry once the school year begins again. The time to make relationships with families in that area, however, is now.

Fourth, let's keep momentum going in the summer months. Many of us take much needed breaks and vacations during this time of year. Yet even though we may be away from our routines, let's make Sunday and Wednesday worship attendance and giving a high priority.

Mac McCarson, the Church's Financial Director, completes his fifth year of service on June 15. On behalf of the Church, the Personnel Committee extends thanks and appreciation to him for his consistently good work and faithfulness to his task. When you see Mac the next time, thank him personally and give him a pat on the back. He deserves it.

## Helping School Children

We are still collecting Box Tops for Education, Labels for Education, aluminum pull tabs, and the My Coke Rewards from Coca-Cola products. Box Tops for Education are appearing on more and more items in the stores and takes little or no effort to save these and bring them to church. If you cannot make it to Fellowship Hall with your items, you may put them into your Sunday School box and they will be added to the collection.

Thank you to everyone for helping in this worthy cause.

Joanna Sturgill
